

How to create an account:

Click the “Log In” link at the top right hand side of the web page. Then click the “Create an Account” button beneath the NEW CUSTOMERS heading. This will direct you to a new page where you will enter all of your account information. At the bottom of this page please make sure to type the letters you see in the box (these letters are not case sensitive). Once all the information is filled in click on the “Submit” button at the bottom of the page. This will automatically log you into your account and take you to your account information page where you will be able to edit any of your information.

How to order:

Go to the page of the product that you would like to order. Scroll to the bottom of that page and if you are logged in the online order form will be there. If you are not logged in, click on the “Order Now” button at the bottom of the page which will direct you to the “Log In” page.
